

Make a plan checklist

Designate an emergency contact person.

Pick two family meeting places.

Make sure everyone in your family has an emergency contact card in his or her wallet.

Create a floor plan of your house and plan your escape routes.

Make sure everyone knows how to evacuate from your home and neighborhood.

Make sure there are batteries in your smoke alarms.

Make Go Kits for every family member.

Make a family emergency kit or at least a shopping list for one.

Make a car emergency kit.

Know your child's school emergency plan.
