The American Red Cross in Madison County will present the 4th annual **Hometown Heroes Awards on May 14th** at the Proctor Conference

Center to honor local citizens who have demonstrated values held by the Red Cross. Awards will be presented at the breakfast event to recognize individuals who exemplify courage, kindness and unselfish character through their acts of heroism within their local community. The funds raised through this effort will support programs and services provided by the American Red Cross in Madison County. For more information, contact the Madison County office at 740-845-9939. I hope you will consider attending to support these amazing heroes in our community. All proceeds benefit American Red Cross programs and services offered locally.

Welcome our new AmeriCorps member – Heather Crabtree

Salutations! My name is Heather Crabtree and I am thrilled to be the newest AmeriCorps Emergency Services Member in Madison County. I am a mother of two, a student at Clark State Community College, studying in the Real-Time Reporting program and I have been a resident of Madison County for 11 years.

My plans for the next twelve months include obtaining my CPR/First Aid certification and Instructor certification. I am currently working on updating

our Mass Care Shelter Agreements and Disbursing Agreements with local vendors. In addition, I have several trainings scheduled and plan to take full advantage of the learning opportunities offered by the Red Cross.

As a whole, I want to fulfill my call to service by keeping a promise to the residents of Madison County. In the unlikely and unwelcome event of a disaster, we at the American Red Cross are prepared to serve the needs of all individuals and families involved.

Puppet Shows!

AmeriCorps Member Jarrod Miller has used an unlikely tool to help prepare our younger residents in the event of a disaster - puppet shows. Topics include, "Disaster kits", "Fire – Make a Plan," and "Get Trained – Call 9-1-1." He and several volunteers have offered these skits to several local schools and a preschool. The team has reached more than 1,200 children with these preparedness topics. Hats off to Jarrod!
